<ul> <li>Village of Loomis residents interested in keeping chickens must complete the following application. A site plan with a drawing or diagram depicting the placement of the chicken facility and run enclosure must accompany the application. Permits must be renewed with the Village of Loomis annually in the month of December for a permit commencing on January 1st. Permits expire and become invalid on December 31st of each year.</li> <li>Failure to comply with <u>ANY</u> of the items listed below is sufficient reason to deny an application or revoke a permit. Failure to maintain a valid permit will result in a Municipal Code violation.</li> <li>INITIAL TO SHOW AGREEMENT TO COMPLY WITH EACH OF THE FOLLOWING STATEMENTS:</li> </ul>			
Written permission from neighbors - See Loomis Municipal Code 90.07.			
No more than five (5) chickens on an applicant's property.			
Applicant shall not keep roosters on permitted property.			
Applicant shall not slaughter any chickens on permitted property.         Applicant provides a chicken facility (coop) constructed of durable material and flooring shall be waterproof, hard-surfaced, non-porous material of not less than three (3) cubic feet per occupant chicken. Such coop shall be constructed, anchored, and repaired as to prevent rats, mice, or other rodents from being harbored underneath, within, or within the walls of the coop.         Coop shall be ventilated and in a clean and sanitary condition at all times.         The chicken enclosure (run) shall be not more than five (5) cubic feet per occupant chicken, fully covered, constructed of metal wire fencing, attached to the coop and anchored down.			

Chickens are not allowed to free range or otherwise be outside of the coop and run.

Coop and run set backs are at minimum: five (5) feet from the rear property line, six (6) feet from the side property line and twenty (20) feet from any neighboring residence.

Coop and run shall not be placed in any utility easement and should give sufficient clearance distances from utility equipment.

Any dead chicks or chickens must be double bagged and placed in the garbage.

All food for immediate consumption shall be placed in a suitable feeding trough or similar container and all other food shall be stored in rat-proof containers at all times.

Offal, manure, and waste material accumulating from the chickens will be sanitarily disposed of at least once every seven (7) days. The following waste removal procedure will be followed:

## COMPLIANCE

The Village of Loomis, Nuisance Officer, Utilities Superintendent, Board of Health, the County Sheriff/ Deputy, or any other Village personnel shall have authority to discern compliance with this Ordinance. These officials also have the authority to direct compliance of this Ordinance with regard to requiring certain facilities or activities by chicken owners to ensure that neighbors are not unreasonably subjected to noise, rodents, predators, or other violations of the provisions of this Ordinance.

Permit fee is \$25.00 annually.

By signing this application, I acknowledge the statements initialed by me and agree to adhere to Ordinance No. 90.07 of the Village of Loomis, Nebraska and I give the Village of Loomis, Nuisance Officer, Utilities Superintendent, Board of Health, the County Sheriff/Deputy, or any other Village personnel the right to enter the property to inspect, observe, test, measure, and investigate the enclosure, structure, or property in connection with this permit application and any complaint received regarding it.
